***Developing
biblical leaders
who thrive
spiritually and live
with purpose***

Experience

For over 30
years, I've
helped people to
thrive spiritually
and live with
purpose.

Evangelism

I've shared Christ with thousands of people in one-on-one and large group outreach settings and trained hundreds of others in effective evangelism.

Discipleship

I've discipled hundreds of people to follow Jesus and equipped them with ministry skills to multiply their lives into others.

"My friend Jane accepted Christ after I shared the gospel with her and I wouldn't have known how to do that if you hadn't trained me."

Jessica – 5+ years of missionary service in Japan

Training

I have extensive theological and personal development training, allowing me to help others wherever they're at in their spiritual journey.

Teaching

I have a wealth
of experience in
Biblical
teaching...in
both small
group and large
group contexts

Small Groups

I have extensive experience leading small groups and training others to lead small groups.

Missions

I've discipled dozens of men who are serving the Lord in a variety of ministries around the world.

Family

Military

Because our twin boys serve in the military, we have experience ministering to and mentoring those who serve our country.

A photograph of a man and a woman standing together on a green lawn. The man is on the left, wearing a brown zip-up sweater and blue jeans. The woman is on the right, wearing an orange patterned sweater, blue jeans, and brown boots. They are both smiling. The background shows trees and a soft, warm light, suggesting late afternoon or early morning. The image is partially covered by a white and yellow graphic on the right side.

Building Teams

I have experience in recruiting and mobilizing others to serve while also helping others find their unique place in God's Kingdom.
