Evangelism

I've shared Christ with thousands of people in one-on-one and large group outreach settings and trained hundreds of others in effective evangelism.

Discipleship

I've discipled hundreds of people to follow Jesus and equipped them with ministry skills to multiply their lives into others.

“My friend Jane accepted Christ after I shared the gospel with her and I wouldn't have known how to do that if you hadn't trained me.”

Jessica – 5+ years of missionary service in Japan

Training

A man in a dark, patterned button-down shirt and dark pants stands on a stage, gesturing with his hands as if speaking. Behind him are several wooden chairs with a spindle back. The background is a large, slightly blurred image of the same man in a light blue shirt, looking down. The word "Training" is written in a large, yellow, cursive font in the upper left corner.

I have broad theological and personal development training, allowing me to help others wherever they're at in their spiritual journey.

Teaching

I have a wealth of experience in Biblical teaching - in both small and large group contexts

Small Groups

I have extensive experience leading small groups and training others to lead small groups.

My wife and I have training and experience providing Premarital mentoring to engaged couples, helping them to create a solid Biblical foundation for marriage.

Family

Military

Because our twin boys serve in the military, we have experience ministering to and mentoring those who serve our country.
